

The Institute of Advanced Healing
Founded by Dr. Aurora Ariel in 2000

At IOAH, we provide mentoring and training that is empowering and life changing. Through our chapters we are able to assist individuals in communities worldwide to resolve issues, transform conflicts, and live healthier lives. A pioneer in therapeutic treatment, IOAH provides specialized training courses, community service and outreach programs, and is committed to training leaders in the organization who will help expand TheQuest™ worldwide.

TheQuest™

TheQuest™ is a revolutionary breakthrough Counseling Theory and Healing Practice designed to bring timely knowledge and a missing piece to rehab centers, prison reform, addiction, youth at risk, and other programs, greatly increasing their success rate.

A complete Healing System. TheQuest™ includes a powerful Life Mastery Course and tools to actualize your Full Potential. For the student, it allows you to practice self healing, and develop Life Mastery Skills you can then pass onto your clients. For the lay person, it is a way to gain understanding and mastery over your psychology, empowering Authentic Self Expression and Creative Fulfillment. For couples, it is an essential ingredient in conscious relationship, where each person works with their own psychology as issues arise. Greater Harmony and clear communication can exist when the focus is on resolution and loving interactions. Our Level 2 Course includes relationship training.

Aurora Juliana Ariel, PhD is the Creator of TheQuest, and the Award Winning Author of the Earth 2012 series. She is gifting her new release, TheQuest: Heal Your Life, Change Your Destiny, FREE via her website. She is a

pioneering doctor whose research and work have given her a profound understanding of the psyche and the tools to heal an ailing humanity. She holds over 35 certificates and degrees in advanced healing methods as well as a BA, MA, and PhD in Psychology. She is also a Kahuna in the Hawaiian Tradition, the successor of Hawaiian Kahuna, Shaolin Grand Master Pang.

Working with countless clients over many years with miraculous results, Dr. Ariel's landmark discoveries led to the development of a revolutionary breakthrough Healing System, TheQuest™, and the founding of the Institute of Advanced Healing to bring out TheQuest™ worldwide.

A pioneer in her field, Dr. Ariel has made many landmark discoveries, uncovering what is at the heart of suffering and a cure in her life's work. She distilled her counseling theory into a seven step counseling technique that is easily transferred to others and is committed to passing this breakthrough technology to the lay person as well as to practitioners.

Dr. Ariel developed certificate training programs and set up a model chapter in Aspen, Colorado in 2005 that can be duplicated around the world. She has successfully worked with youth at risk, addicts, abusers, and the abused, people with serious illnesses and trauma, and a host of dysfunctional personality traits and life conditions with tremendous results. Today, her landmark work is changing lives through out the planet.

TheQuest Counselor & Life Coach Training

SPIRITUAL LEADERSHIP

Join Our Team, or Set up a Chapter of the Institute in Your Area. Through our certification process, you can become a Spiritual Leader in our organization, serving as an administrator, counselor, and/or teacher.

During the one year training you are prepared for your life mission as a Spiritual Counselor and Leader, and are assisted in determining how best you can fulfill your Life Purpose.

Upon graduation, you can choose to work at IOAH headquarters, set up a chapter in your area, create your own practice or ministry, be a director of our Global Outreach Program, or help expand our work worldwide as a Director of International Affairs for your respective country or region.

Chapters can include TheQuest™ Counseling and Life Coaching sessions, weekly support groups, Youth at Risk programs, Teen Forum, Healing Circle for Adults, training courses, classes and events.

ONE YEAR TRAINING PROGRAM

Highly experiential in its application, this program gives you the life mastery skills, knowledge, experience, and tools to become a Life Coach and Counselor.

You will be trained and certified in TheQuest, which includes breakthrough-Counseling and Life Coaching Techniques. This personalized course is designed for both trained professionals and the layperson, for the busy or working person.

A comprehensive and personalized program unique to your situation, it includes TheQuest Self Healing System, Life Mastery Training, and weekly personal training sessions with Dr. Ariel, where you receive counseling and life coaching.

“When you master your psychology, you become a master of your life. It is then you can fulfill your Highest Destiny Potential.”
